REF: PE 007/2016

15 February 2016

Subject: Clarification of flight cancelled and back to normally service

Attention: President of The Stock Exchange of Thailand

According to 9 flights of Nokair had been cancelled on 14 February 2016. Nokair would like to clarify that the causes of cancellations are from 5 pilots had taken emergency sick leave and caused total 9 flights from Don Muang International Airport and returns were delayed and cancelled from 4:00 p.m. onward.

However, Nokair had gave the solution with minimal impact to the passengers such as transfer some passengers to codeshare airlines or charter airlines to transport the passengers including provide hotel rental for the passengers who required to change their flight schedules and will also have the compensation to the passengers according to announcement of Ministry of transport.

And now, Nokair had solved the problem for passengers able to travel normally.

Please be informed accordingly

Yours faithfully
