**Subject:** Pan-regional Low Cost Carrier (LCC) alliance unveiled

**Attention:** President of The Stock of Exchange of Thailand

Nok Airlines Public Company Limited (“The Company” or “Nok Air”) would like to inform that the Company has announced the formation of the world’s largest Low Cost Carrier alliance (LCC) – the Value Alliance. The eight LCCs partner airlines in the Asia Pacific include Cebu Pacific (including subsidiary Cebgo), Jeju Air, Tigerair Singapore, Tigerair Australia and Vanilla Air, Scoot, NokScoot and Nok Air.

The Value Alliance airlines cover and serve more than 160 destinations across the Asia Pacific region. The multi-carrier interlines and booking system has been developed by Air Black Box (ABB). Customers will be able to review, select and book directly from each partner website. However, each partner airline can still maintain their brand integrity. As a result, the Value Alliance airlines is a source of revenue for the Company in the future.

Please be informed accordingly.

Yours faithfully,

Nuanwan Bhuprasert  
Chief Financial Officer  
Authorized to sign on behalf of the Company
